MEMORANDUM FOR: General Counsel
INFORMATION: Deputy Director for Operations
FROM: Director, Office of Legislative Liaison
SUBJECT: Proposed DCI Procedures to Govern
Reporting to the Oversight Committees

[Redacted]

Stan:

I understand there had earlier been some concern about Paragraph 2(c) of the proposed procedures. Clair and I agree that there is no problem with that paragraph. Therefore, I suggest that we are now ready to present them to the Director for his final approval. As you know, the SSCI staff is anxious to have this resolved as soon as possible.
